

Parents:

We have an important update regarding our school's relocation to the new building.

On Monday, we are dedicated to successfully completing the move into our new building.

However, due to necessary construction zone adjustments, we will be temporarily modifying the drop off and pick up gates for a few days. Rest assured, this will not disrupt your ability to escort your UTK and K students to their classrooms. UTK–second grade students are kindly requested to use Gate 2 (Copeland) for drop off and pick up during this period. Third-Fifth grade students are kindly requested to use Gate 1 (Meade) for drop off and pick up during this period.

Additionally, on Monday, we kindly ask for the cooperation of all First through Fifth-grade teachers. We request that your student remains on the field until retrieved by their teacher, as the walking paths will have been adjusted by that time. This ensures a smooth transition for our students and staff during this exciting relocation process.

Instead of families coming to see the new room on Monday September 18, 2023, there will be an opportunity on Family Wednesday which will be held on October 11, 2023 and again on the next Flyer Rally which is on October 13, 2023. Thank you for your patience!

We appreciate your understanding and flexibility during this transitional phase. Our primary goal is to make this transition as seamless as possible for your children.

Thank you for your continued support in making our school the best it can be.

Warm regards,

Principal Muhammad
