CHARACTER BUILDERS

MARCH 2023 AT CBI!

We can't wait for another fun month at Character Builders!

Wild Kingdom

This month we are setting off to the wild with our Wild Kingdom curriculum! Between our crazy animal crafts and our deep diving science experiments, we all will leave March with a new understanding of the world's wild animals!

Program Highlights

Some of our highlighted activities this month include:

- Arm Giraffe
- How Do Fish Breathe
- Bats Take Flight

Sometimes our curriculum activities include using recycled items that can be found in your homes. If you have any extra toilet paper or paper towel rolls (the cardboard in the middle), cardboard egg cartons or empty water bottles, please feel free to pass them along to your site supervisor.

Program Reminders

March Minimum Days: **Every Wednesday, 21st-24th**

March Holidays(NO SCHOOL/PROGRAM): **27th-31st**

HEALTHY RECIPES
